It is hereby notified for the general information of the public that the undermentioned quantity of standing magala timber trees of 3' and above in girth, in Balur and Kundur District Forest of Mudigere Range, will be sold in public auction by the District Forest Officer, Chikmagalur, or any other Officer deputed by him, at the Travellers, Bungalow, Mudigere, on Tuesday the 2nd October 1956 at 2 P.M.

Balur District Forest	3,700 Cft.
Kundur District Forest	1,300 Cft.
Total ...	5,000 Cft.

N.B.—The quantity noted is only approximate.

CONDITIONS.

1. Each intending bidder must deposit in cash Rs. 500 as earnest money with the Sale Conducting Officer prior to the commencement of the sale and sign the sale notification in token of acceptance of the conditions of the sale. This amount in case of the unsuccessful bidders will be refunded immediately after the close of the sale. The deposit of the successful bidder will be retained as security for the due fulfilment of the conditions of the sale.

2. The bid to be offered is per cubic foot and the starting bid will be Re. 1 per cft. (one rupee per cubic foot). All intending bidders should produce solvency certificates issued by the concerned Amildars (of not later than three months old on the date of sale) before the Sale Conducting Officer, at the commencement of the sale.

3. The successful bidder shall at the close of the sale, pay 50 per cent of the total sale amount excluding the deposit paid as per clause 1 *supra* and obtain a receipt, failing this, the earnest deposit paid by him will be forfeited

to Government and the timber resold at his risk. He will have to make good any loss to Government arising out of such resale but will not be entitled to any profits of the resale.

4. The sale will be subject to the confirmation of the Conservator of Forests, Shimoga, who may at his discretion, accept or reject the sale without assigning any reasons therefor. In all cases of difference of opinion between the purchaser and the Department with regard to interpretation of the terms and the conditions of the sale, the decision of the Conservator of Forests, Shimoga, will be final.

5. Within a week from the date of receipt of confirmation of the sale, the purchaser should pay the balance amount so as to make up the full sale value of the timber auctioned and should execute the bond on a stamped paper of proper value, before the District Forest Officer, Chikmagalur, setting forth the conditions of the sale and thetimber should be removed within six months from the date of execution of the bond, beyond which period no execution of timber will be permitted, and if any balance remains unremoved after this period, will be forfeited to Government.

N.B.—(i) The volume of the timber will be calculated by quarter girth method and the mid girth being recorded under bark.

(ii) I fthe purchaser fails to work out the bob fully or partly within the time allowed, the amount paid by him will be forfeited to Government to the extent of unworked quantity.

6. The felling, collection and removal of timber shall be done solely at the cost of the purchaser and the department will undertake no responsibility either in regard to formation of roads and cart-tracks or in regard to maintenance of the existing communications. The purchaser shall fell trees as nearer to the ground as possible and reduce wastage of timber. In the felling and removal of timber no damages shall be done to any standing growth in the forest, which the purchaser is not entitled to fell under this contract. In the event of damages caused by his felling the purchaser shall be liable to pay such compensation therefor as the District Forest Officer may decide. The purchaser is not entitled to remove such fellings.

7. The cost of every consignment removed by the purchaser will be adjusted from out of the sale amount paid as per clauses 3 and 5 supra, and the purchaser will be required to reimburse deposit of the amount so adjusted, before removing the next consignment.

8. The purchaser shall not remove any timber from stump site until it has been serially numbered, measured, stamped with Government Hammer, brought on to Form 4 registers and formally delivered to the purchaser under cover of a permit, by the Officer-in-charge of the work.

9. The purchaser shall at all times comply with the provisions of the Mysore Forest Act, 1900 and the Timber Transit Rules. The purchaser shall hold himself responsible for the act of his agents and of all persons authorised by him to enter the forest. The purchaser shall maintain correct accounts relating to the receipts and disposals of timber obtained under this contract.

10. Any money due by the purchaser under the terms of this agreement, shall under Section 79 of Mysore Forest Act, be recoverable from the purchaser as it were an arrear of land revenue.

11. The earnest deposit paid by the purchaser will be refunded after the close of the period of sale, provided he fulfills all the conditions of the sale.

N.B.—(i) The intending bidders may inspect the forest before they attend the sale.

CHITALDRUG DIVISION.

Notification.

Sealed tenders will be received at the Office of the Executive Engineer, Chitaldrug Division, up to 4 P.M. on 1st October 1956, for the following work :—

Name of work	Amount of Estimate Rs.	Earnest money deposit Rs.
Constructing a Workshop attached to Mysore Government Road Transport Department, Chitaldrug.	41,000	2,050

1. Tenders in the prescribed form in duplicate obtainable from the Office of the Executive Engineer, Chitaldrug Division, should be addressed to the Executive Engineer, Chitaldrug Division, in a sealed cover and superscribed as "Tender for constructing a workshop attached to Mysore Government Road Transport Department, Chitaldrug." The name of tenderer should also be noted on the top of the cover.

2. Each tender must be accompanied by a treasury challan for having deposited the required amount as noted against the work, as earnest money under "Revenue Deposits". No cheque will be accepted for earnest money. Requisitions for adjustments of any dues from the Government to the contractor for earnest money will not be entertained.

3. The final acceptance of the tender will rest with the competent authority, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any.

4. The successful tenderer should execute a contract agreement within a fortnight from the date of communication of approval to him.

5. The earnest money of the rejected tenders will be refunded on application, only after any of the tenders is received approved or two months after the receipt of tenders if the tender of the successful contractor has not been received approved.

6. Copies of estimates and plan can be seen in the Office of the Executive Engineer, Chitaldrug Division, on all working days between 11 A.M. and 5 P.M.

7. Specific rates should be quoted both in figures and in words, for each individual item of work. Tenders offering percentage reduction, or increase will be rejected.

8. For all lumpsum items, only the minimum schedule of rates on data *plus* 10 per cent will be given if the rates do not appear in the Schedule of Rates. Rates need not be quoted for all lumpsum items.

9. All overwritings and corrections while submitting the tenders should be attested to by the tenderer.

10. The quantities given in the estimate are only approximate and the drawing shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions, at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the estimate.

11. The contract should not be sublet.

12. The contractor should make his own arrangements for transportation of materials.

13. The contractor is responsible for all accidents to workmen, etc., on the work and he must take precautions against all risks of accidents and if necessary provide for the same by insurance at the proper time. The contractor should arrange for the payment of royalty, tolls, taxes, etc.

14. Tenders should be submitted in duplicate. The lower out of the two will be taken into account in case there is any difference in rates noted.

15. The sales-tax and income-tax clearance certificates should be furnished along with the tenders.

16. Contractors should be agreeable to take up the work even if the same is split and distributed at the lowest rates among several contractors.

17. Conditional tenders will not be accepted.

18. Controlled materials will be supplied by the Department only on sale indents, that too if available in the departmental stores at the time of executing the work. But non-supply of materials by the Department will not be considered as a valid reason for slow down or slackness of work and not showing stipulated progress.

19. The successful tenderer will have to pay further a security deposit at 5 per cent of the estimated cost of the work, before executing agreement and taking work order for the same.

20. Reinforcements will have to be provided for cantilever slab, tie beam, etc., as per calculations to be given by the Assistant Engineer at spot after inspection and approval by the Executive Engineer.

(ii) The tax levied and the amount paid in the four accounting years preceding the year in which the tender is submitted should invariably be furnished in the Sales-tax and Income-tax certificates. If the assessment in respect of any year is pending orders, advance payment should be made for the year and recorded in the Sales-tax and Income-tax certificate forms.

The rate for each item must be specified in figures as well as in words and must be for the particular kind or brand of the articles specified in the list annexed to the Notification. The value of each tender must be worked out correctly according to the rates tendered and the total value must also be entered both in figures and in words. Tenders not conforming to the rule will be rejected.

Tenders in four copies on half-sheet foolscap size papers only should be in the sealed cover and the certificates and challans should be handed over separately.

Tenders will be rejected if not according to rules.

Detailed copies of tender notification containing terms, conditions etc., and also prescribed forms of income-tax and sales-tax clearance certificates, may be had from the Office of the undersigned, on application, during office hours on working days.

OFFICE OF THE SUPERINTENDENT, AGRICULTURAL RESEARCH STATION, (V. C. FARM), MANDYA.

Notification dated 3rd September 1956.

Sealed tenders superscribed "Tender for the purchase of Paddy, Ragi and Groundnut of the Agricultural Research Station", (V. C. Farm), will be received at the Office of the Superintendent, Agricultural Research Station, up to 3 P.M. on Saturday the 29th September 1956.

2 Tender rates will have to be quoted separately per palla of fine paddy, medium paddy, ragi and groudnut, both in words as well as in figures.

3 Every tender must be accompanied by a duplicate Treasury Challan for having credited the earnest money of Rs. 1,000 (Rupees one thousand only) under Revenue Deposit in favour of the Superintendent, Agricultura Research Station, Mandya. Only those tenders accompaniel by the Treasury Challan and received within the specified date and time will be considered.

4 On acceptance of the tender, the earnest money of the unsuccessful tenderers will be refunded.

5 The tenders will be opened immediately after the expiry of the time on Saturday the 29th September 1956 by the undersigned or any Other Officer authorised to do so.

6 The final acceptance of the tender will rest with the Director of Agriculture in Mysore, Bangalore, who does not bind himself to accept the highest or any tender or assign any reason whatsoever for such rejection of tender.

7 Within seven days of receipt of intimation of acceptance of tender, the successful tenderer should make his own arrangements to clear the articles from the Agricultural Research Station, Mandya.

8 Failure to remove the articles within seven days after acceptance of tender by paying the full amount before taking delivery of articles, will entail the forfeiture of the earnest money and the concerned tenderer will be liable to make good the losses, if any, that may occur in subsequent resale, as arrears of land revenue and is a condition for submission of the tender.

9 While deciding the acceptance of the tender or tenders each item in the tender will be considered either individually or collectively whichever is advantageous to Government, at the discretion of the Director of Agriculture in Mysore, Bangalore.

10 The quantity mentioned below is approximate which may be a little less or more. The measurement will be made in the Farm measures by the Farm labourers.

11 Tenderers may inspect the stock at any time during the working hours of the Station on working days.
